## *University*

The University Collection was produced for the Robert Morris Library at Southern Illinois University in Carbondale, Illinois. This 2008/2009 installation was achieved through a collaboration between Woolen Molzan Architects (Indianapolis, Indiana) and the dedicated staff at the University. Attention to detail and quality materials are the backbone of this project. We are proud to have played a part in this library.

Thoughtful design, attention to detail, first class materials and workmanship make HLF your first choice in contract library furnishings.
