Reading Table

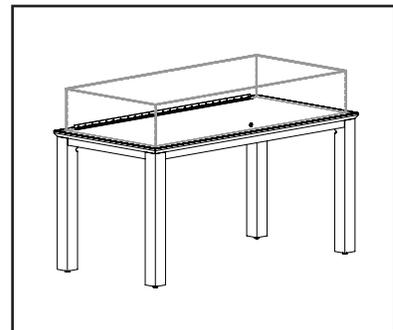

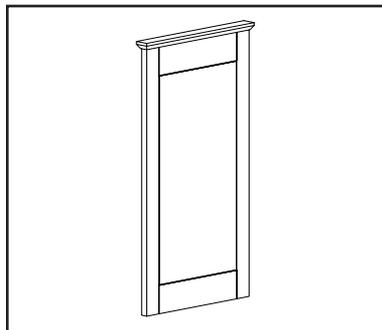

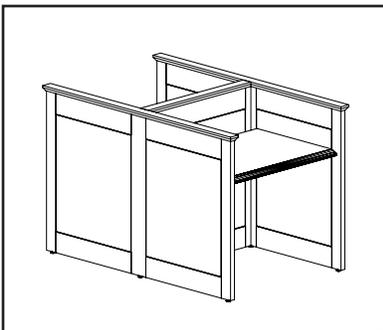

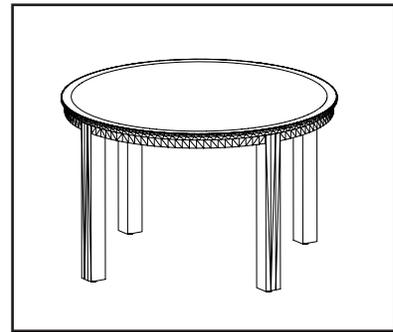

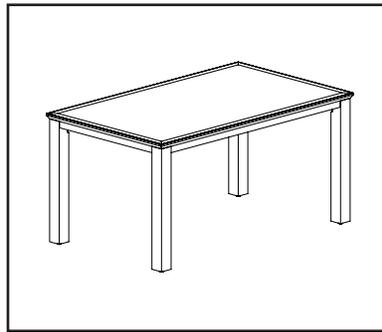

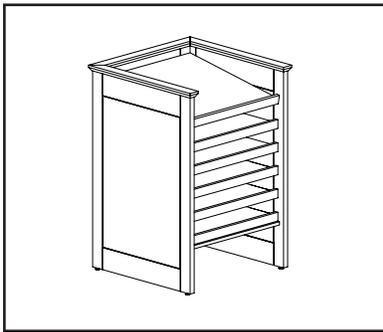

Single Faced Starter and added Carrel

Livingston

The Livingston Collection was produced for the public libraries of Livingston Parish, Louisiana. It's strong materials and traditional design was the result of a collaboration of the architect, dealer and manufacturer. Rift oak and marmoleum add to the beauty, durability and environmentally friendly nature of these products. We are proud to have played a role in the process.

Atlas Stand

Thoughtful design, attention to detail, first class materials and workmanship make HLF your first choice in contract library furnishings.
