TERMS AND CONDITIONS:

ORDER INFORMATION All orders are to be in writing to avoid errors and/or duplication. Orders are accepted subject only to the terms and conditions listed hereunder. It is expressly understood that variation from these terms and conditions shall only pertain on a per order basis when agreed to in writing by an officer of HLF Furniture, Incorporated. In placing an order, customer unconditionally agrees that terms and conditions listed hereunder shall supercede any and all terms or conditions listed on the customer's purchase order.

PHONE ORDERS Phone orders must be followed by written confirmation via mail or FAX transmission. It is the customer's responsibility to clearly indicate confirmation to avoid duplication.

ACKNOWLEDGMENT It is our policy to acknowledge all orders in writing. The Acknowledgment will reflect as completely as possible our understanding of the order and will indicate the correct net pricing and approximate ship date. It remains the customer's responsibility to check the Acknowledgment for accuracy and to promptly report any errors or discrepancies.

DATE OF DELIVERY It is our firm intention to comply with requested delivery dates insofar as is reasonably possible; however, it should be recognized that the date of shipment listed on our Acknowledgment is an estimate only and not an essential term of agreement. Delays in shipment of an order do not constitute a valid reason for cancellation nor shall HLF be liable for any expenses arising from any delay in delivery or failure to make delivery due to unavailability of raw materials, labor, or supplies or any factor beyond our reasonable control which might hinder or impede the manufacture or delivery of all or part of any order accepted.

CANCELLATIONS/CHANGES Orders may be cancelled or changed at any time prior to commencement of production. The customer will be responsible for any costs incurred up to the point of cancellation and for the cost of any changes. A minimum cancellation fee of the greater of \$50.00 or two percent of order value will be incurred on any cancelled orders. No cancellations or changes will be accepted after production has commenced.

PRICES All prices are F.O.B. factory, Belleville, Michigan. All prices are subject to change without notice. Orders are accepted at the price in effect as of the date of receipt of order at the factory.

TERMS Terms on price list items are 1% 10 days/net 30 days for customers on open account. Open account is only granted upon approval of a completed HLF Credit Application by our credit department. A 50% deposit or Pro Forma payment may be required prior to processing an initial order. A 50% deposit may be required on custom items regardless of credit status. No orders will be processed for accounts having outstanding invoices more than 30 days past due. Credit terms are conditional upon satisfactory fulfillment of obligations. We reserve the right to revoke credit privileges at any time.

RETURNED CHECKS A returned check charge of \$35.00 will be incurred on any check returned unpaid for any reason.

SPECIFICATIONS Sizes, as listed, are nominal and may vary plus or minus ½" from list. Where product construction and material specifications are listed in this price list, they represent materials and methods in use at the time this list was printed. HLF unconditionally reserves the right to change materials and construction methods without notice as part of our continuing efforts to improve products and techniques. HLF does not manufacture plastic laminates. Specifications for plastic laminate should be obtained directly from the appropriate laminate manufacturers.

RETURNS/RESTOCKING No returns will be accepted without the prior written consent of the factory. As all goods are manufactured to order, there is no provision offered for restocking merchandise upon payment of a restocking charge.

WARRANTY Products are warranted to be free of manufacturing defects — cracks, chips, glue failure, and major scratches. Cracks, chips, and major scratches will be repaired or replaced at no cost only if reported within 48 hours of delivery. Glue failure within five years of delivery will be corrected at no cost to the customer. As gloss, semi-gloss, and dark solid color laminates are subject to minor scratches in any of several production and handling stages, both prior to and during our use of them, we are unable to warrant these finishes completely free of scratches and we suggest they be used discretely. Plastic laminate products, like fine wood products, are subject to environmental conditions. In particular, sustained relative humidity lower than 60 percent may result in cracking of laminate and bowing of doors, prolonged exposure to direct sunlight may reactivate glues and cause delamination, and absorption of standing water may cause substrate swelling. We are unable to accept responsibility for damages resulting from these environmental conditions.

HLF Furniture's sole obligation and customer's remedy under this warranty shall extend to the repair or replacement, at our option, of products which prove defective during the warranty period under normal usage for the purpose intended. Misuse, alteration, negligence, abuse or damage by accident shall negate this warranty. There are no implied warranties of merchantability or fitness for a particular purpose made by HLF in connection with the sale or use of any item. The warranty provisions listed above are expressly in lieu of any other warranties, express or implied by fact or by statute, and all other remedies for damages arising from the sale or use of any item of furniture.

BACKCHARGES Charges incurred by the customer in expediting shipments or for the repair of goods will not be accepted by the company. Any back charges must be approved in advance in writing by HLF Furniture, Inc., via an HLF Credit Memo. We reserve the right to return goods to the factory for warranty repair rather than incur field service costs and shall be liable only for costs between the factory and the destination to which the goods were first delivered as indicated on our Shipper or Bill of Lading.

DROP SHIPMENT Customers desiring drop shipment may arrange for merchandise to be delivered to a local transfer agent capable of delivery to the end-user. Zone 1 customers desiring shipment to a destination other than their own immediate geographic area should consult the factory for possible crating or cartoning charges.

- PACKAGING/CRATING** Shipments made to Zone 1 are generally shipped blanket wrapped. Shipments made to Zone 2 may be either blanket wrapped or packaged depending on order size, geographic location, and other cost considerations. Refer to the inside front cover of this list for Zone definitions and further shipping information for your area. All shipments are F.O.B. factory, Belleville, Michigan. Minimum freight charges for Zone 1 are \$ per delivery.
- CLAIMS** Claims for any damage must be filed promptly with the carrier. In case of damage, any packaging materials should be retained until the goods are inspected. We cannot be responsible for merchandise once a carrier has received and signed for merchandise in good condition.
- STORAGE/DELAYS** When shipment is delayed by the customer, we reserve the right to place the goods in storage at the customer's risk and expense. Terms shall commence upon notification of the customer that goods are ready for pick-up or delivery.
- FINISHES** Prices in this list refer to Standard HLF Laminate Finishes as they may from time to time be designated. Refer to the finish selector chart in this price list for upcharges associated with non-standard finishes.

FINISHES:

GENERAL INFORMATION

All prices in this list, with the exception of Basics, refer to standard HLF laminates. The Palette '95 Swatch Card included in your binder contains actual paper samples of current standard laminates. Additional Swatch Cards may be obtained from your representative, if required.

FINISHES

FINISHES

AS OF MARCH 1, 1995, THE FOLLOWING STANDARD LAMINATES ARE AVAILABLE:

H-21 White	H-62 Port	H-81 Grey Speck
H-23 Antique White	H-63 Burgundy	H-82 Mouse Mix
H-30 Pumice	H-64 Birch Mix	H-83 Charcoal Mix
H-32 Light Blue	H-65 Teal Mix	H-84 Charcoal Dust
H-33 Platinum	H-66 Navy Mix	H-85 White Mix
H-38 Fog	H-67 Sand Mix	H-86 Grey Mix
H-41 Moss Green	H-68 Charcoal Essence	H-87 Grey Dust
H-43 Dutch Blue	H-70 Maple	H-89 Beige Dust
H-45 Birch	H-71 Light Oak	H-90 Firedust
H-48 Pepperdust	H-72 Pear	H-92 Green Mix
H-50 Juniper	H-73 Medium Oak	H-96 Oxide
H-53 English Ivy	H-74 Mahogany	H-99 Black Vortex
H-54 Anthra Green	H-76 Cherry	
H-55 Black	H-80 Blue Grey Mix	

In addition to our standard finishes, we are able to source and use virtually any other laminate finish available. In order to determine appropriate price adjustments associated with non-standard finishes, refer to the following Finish Selector Chart. *Please note that non-standard finishes are not available on the Basics Series.*

BASICS SERIES FINISHES

All Basics Series prices refer to HLF Basics Series finishes. Non-standard finishes are not available with the Basics Series. As of September 1, 1995, the following Basics Series finishes are available:

M-11 White	M-18 Light Oak
M-13 Black	M-19 Medium Oak
M-14 Charcoal Matrix	M-20 Mahogany
M-15 Flax Matrix	M-22 Pumice
M-16 Grey	M-23 Sand Matrix
M-17 Grey Matrix	M-24 White Matrix

QUICK SHIP

HLF Furniture offers the most extensive Quick Ship program in laminate office furniture. The entire Basics Series is available in ten working days in all twelve Basics finishes. The entire Express Series, along with a wide selection of conference tables, bookcases, occasional tables, and other items, are available in ten working days in our eight Quick Ship colors:

H-21 White	H-71 Light Oak
H-38 Fog	H-73 Medium Oak
H-45 Birch	H-82 Mouse Mix
H-55 Black	H-83 Charcoal Mix

Quick Ship products are designated throughout the price list. When placing an order for Quick Ship delivery, be certain that you clearly indicate QUICK SHIP to ensure that it is properly entered.

FABRIC

Products which are clad in fabrics are priced to incorporate standard selections in Guilford FR-701 Series, Pattern 2100.

CLEANING INSTRUCTIONS

Plastic laminate is a durable, serviceable surface that with minimal care will provide many years of worry-free use. Everyday cleaning requires no more than a soft wipe with a damp sponge. Should dirt build up, wash the surface with mild dishwashing liquid or powdered detergent and warm water and a soft cotton cloth; rinse with warm water and dry with a soft cloth. If this should fail to dislodge the build-up, use an all-purpose cleaner or bathroom cleaner (being careful to follow the manufacturer's instructions), rinse with warm water and dry with a soft cloth.

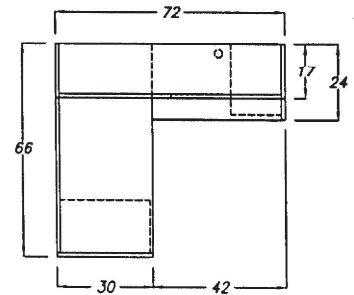

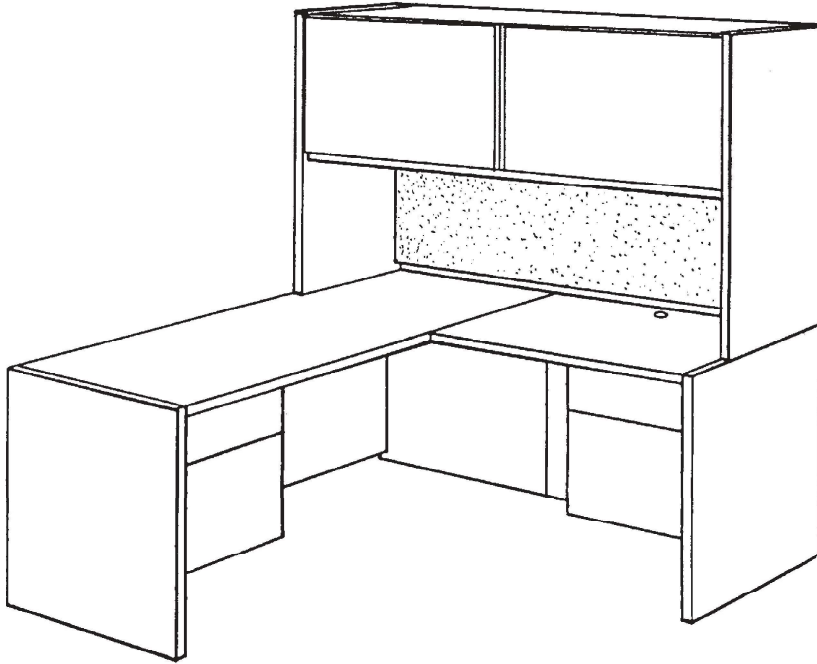

EASY STATIONS:

GENERAL SERIES FEATURES

- Our six most popular configurations pre-packaged in each of our four modular casegoods lines.
- Ordering a station is as simple as selecting a series, a finish, and indicating a station number. For example, Express Series, Easy Station Three, H-38 Fog.
- All Basics stations are available on our Quick Ship program — ten working days — in all twelve Basics colors. Be sure to clearly specify Quick Ship.
- Express stations are available on a Quick Ship basis in the eight standard laminate Quick Ship colors. Again, clearly specify Quick Ship.
- All worksurfaces are 29" AFF executive height. Consult the individual series sections for series and product features and specifications.

EXPRESS / EXPRESS PLUS:

GENERAL SERIES FEATURES

- 1 1/4" slab construction.
- All visible surfaces finished in specified laminate.
- 45 lb. density industrial particle board substrate.
- Leveling glides on all units.
- All wood dowelled drawer construction with black vinyl wrap.
- Accuride® suspensions on all drawers.
- Most vertical file drawers accommodate both letter and legal size hanging folder files. Vertical file drawers on 20"d returns and credenzas file letter only.
- Fully modular construction.
- Blum® hinges on all doors.
- Full case pedestal construction.
- Express Series (Xxxx) has squared end panels.
- ExpressPlus (Pxxx) has radiused end panels and replaces the Radius Series. Some design changes have been affected which differentiate ExpressPlus from Radius.
- Black reveals are standard on all units. Bright Brass (BB) and Mirror Chrome (MC) reveals are available. Specify the appropriate model number with the trim suffix —for example, XOBDD 6030-BB for a 60x30 bullet desk with bright brass trim (add \$ list per piece.)

SECRETARIAL HEIGHT CORNER EXTENSIONS

Note: Open extensions are not freestanding. They may be used between two other components or they may be attached to a single other component if a panel end is added to the open end. A panel end will add 1¼" to the size of the unit. Support panels should be added where corner extensions abut open or bridge returns or pedestal returns wider than 48".

Screens may be combined with any of the modular casegood items in the Express Series to provide visual and acoustical privacy. Screens mount easily into end panels and worksurfaces with a heavy-duty steel post mechanism. They may be readily removed to provide conferencing capabilities. Pricing is based on Guilford 701 Series fabrics, Pattern 2100.

Note: Due to the rounded panels of the ExpressPlus Series, screens may not be suitable for some applications. Consult factory.

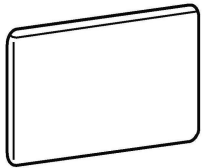

Note: For in-between sizes, use next largest size for pricing.

WOODSTOCK:

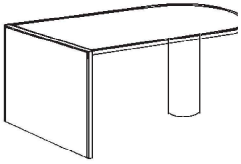

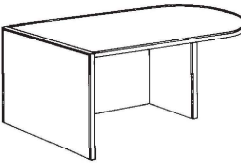

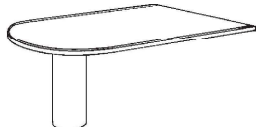

GENERAL SERIES FEATURES

- 1 1/4" slab construction.
- Edges of worksurfaces and end panels capped in 1/4"x1 1/4" oak or mahogany, as specified.
- 45 lb. density industrial particle board substrate.
- Leveling glides on all units.
- All wood drawer construction with black vinyl wrap.
- Accuride® suspensions on all drawers.
- Most vertical file drawers accommodate both letter and legal size hanging folder files. Vertical file drawers on 20"d returns and credenzas file letter only.
- Fully modular construction.
- Blum® hinges on all doors.
- Full case pedestal construction.
- Light and medium oak, ebony on oak, mahogany on mahogany, and cherry on mahogany are standard. These approximate HLF standard laminates (i.e., OAK-71 = H-71 Light Oak, etc.).
- Custom finishes and wood species available — consult factory for specifics and pricing.

Screens may be combined with any of the modular casegood items in the Woodstock Series to provide visual and acoustical privacy. Screens mount easily into end panels and worksurfaces with a heavy duty steel post mechanism. They may be readily removed to provide conferencing capabilities. Pricing is based on Guilford 701 Series fabrics, Pattern 2100. *Note:* For in-between sizes, use next largest size for pricing.

GENERAL SERIES FEATURES

- All top surfaces and end panels are high pressure plastic laminate over 1 1/8" thick 45 lb. density industrial grade particle board.
- Vertical surfaces are high pressure plastic laminate over 1 1/8" or 5/8" industrial grade particle board on flat areas or over 1/8" birch, luaun or hardboard supported by wood-strut framing on rounded areas.
- Leveling glides are supplied on all units.

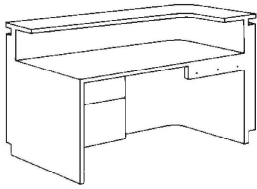

Note: Because of their size and configuration multiple piece reception stations are hand-fitted. As such, dimensions vary slightly from piece to piece and adding or changing pieces later may result in some irregularities.

STUDY CARRELS

- Modular approach allows runs or clusters of any number.
- All units ship KD for ease of handling and join together easily with shoulder screw/clip system.
- Starter unit includes two 36x1¼x48" h end panels with adjustable glides, 33½x1¼x48" h back panel, 24" d worksurface which mounts at 29" AFF desk height, 12" d shelf which mounts at 42" AFF, and all necessary hardware.
- Add-on units mount left-to-right and include same components as starter unit, but with only one (RH) end panel.
- Electrified grommets and various wire management options are available on HLF study carrels — consult factory for specification information and pricing.
- Specify model number and edge treatment (i.e., SCSU 3648 (100)).
